ABOUT

Inspired by retro-futuristic graphic design, Brutalist architecture, and Bauhaus, Brachial is the ultimate tool for artists seeking the extraordinary. This ultra-wide geometric sans-serif typeface is strong, loud, confident, and futuristic, making it the perfect choice for bold and impactful designs.

Brachial is not just a typeface; it's a declaration of creative freedom. It unlocks the door to unbridled artistic expression and provides limitless possibilities for designers looking to push the boundaries of typographic design.

Thank you for choosing Brachial. We hope it inspires you to unleash your inner design maverick and create stunning, unforgettable designs that will leave a lasting impression.
